Subject: Patent Pending

I am writing in regards to a Patent I have been working on threw the past year. I started by placing a Disclosure Document on 5/20/03 for a tool I call the Clamp Stand doc. # 532810. I then proceded to send payment with a Small Entity Status for a Utility Patent. That was about ten weeks ago and I have not been contacted by U.S. Patent Office. I have now moved to a new address and need to change my correspondence to this new location. I also wanted to know how long I must wait for clarification of you recieving this, the check of four hundered dollars I sent to you has been cashed. Could you please let me know who to contact in regards to my situation? My previous and new mailing addresses are listed below. Thanks in advance for your help.
